ARCH NOTES would like to hear from members on their archaeological activities of the past summer. Hopefully, for the October issue, we will have news from the Windsor and Ottawa groups; and we should also have a progress report from the Summer Salvage Project. We are still open to any questions from members concerning archaeology.

MEMBERSHIP RENEWAL - 1973

It is a trifle early, but just a reminder about next year. ARCH NOTES will publish a note regarding fees due - this will appear in December. Then sometime in January, you will receive a dues notice separate from ARCH NOTES. In this regard, we ask that any changes of address, etc. be reported to the Editor and/or Acting-treasurer so that our records are as up-to-date as possible.

An audit of the 1971 books of the O. A. S. has been conducted, and everything was found to be in order. The Executive wishes to extend its thanks to Murray Corbett for the time he spent in performing this most necessary task.

Our Librarian informs us that she hopes to have the first part of "A Guide to the Ontario Archaeological Society Library" ready for publication in October. This will be a revision of an earlier index that was compiled by Charles Garrad.

We have received a copy of
Pendergast, J. F. & B. G. Trigger
1972 Cartier's Hochelaga and the Dawson Site,
McGill-Queen's University Press, Montreal
for review. Mr. Alan Tyyska, a
long-time member of the Society has been asked to review this
publication, and his comments should appear in October's ARCH NOTES.

As you can see from the above notes, we have great plans for next month, so we hope you will forgive us if this issue seems to be a little disjointed. (Ed. note.).

president: Clyde C. Kennedy, 30 Nanaimo Drive, Ottawa 828-0884
vice-president: Dr. Don Robertson, 35½ Faraday Crescent,
Deep River 584-4744
secretary: Miss Louise Banville, Apt. 1208, 2380 Baseline Road
OTTAWA, K2C 3J4 828-1947

...a reminder that, as decided at the last meeting of
the Ottawa Chapter (June), the next meeting will be held

8 p.m. Friday, September 15, 1972

in the conference room, Archeological Survey of Canada
Bell's Corners

program:

1. "Woodland Pottery", an illustrated lecture
by Dr. James V. Wright, Head, Research Section
Archeological Survey of Canada
2. reports on the Ottawa survey, if any groups are
yet prepared to present their findings
3. discussion of the report submitted to Ontario Archives
by the Ontario Archeological Society. As reported in
the July issue of Arch Notes, members of the OAS could
request a copy.
4. finances...it was agreed at the last meeting that Ottawa
Chapter members would pay \$2 for 1971-72 and \$2 for 1972-73

notes:

- expected to go on sale shortly: Ontario Prehistory by
J.V. Wright, published by the National Museum of Man,
National Museums of Canada...a well-illustrated volume
written for the layman...presents a broad, comprehensible
review of Paleo-Indian, Archaic and Woodland cultures in
Ontario and immediately adjacent lands...if the price is right
and the very large existing market is reached, it will be
a sell-out
- reprinted from Ottawa Chapter notice of May 1971: "The Ottawa
Chapter will be prepared to respond to any request for salvage
archeology. Any suggestions for digs in which Ottawa members
can participate?" Also reprinted from an early issue: any
member willing to give a lecture on his or her research, please
inform the president or vice-president
