Descendant Community Sponsorship:

A major goal of this symposium is to encourage and facilitate the participation of Indigenous and African-Canadian communities from across the province. In many instances, there are financial considerations that may restrict how and which communities participate. As such, we are soliciting sponsorship funds allocated for this purpose.

Transportation - Any donation would be gratefully received. The costs to bring people in from further distances are daunting and tend to occur in increments of at least **\$500**.

Accommodation – Each donation of **\$135** covers a night of lodging for an Indigenous or African-Canadian symposium attendee.

Specific Item Donation for Silent Auction:

To make a donation for the Silent Auction please contact Zsofia Agoston Villalba
zagoston@uwo.ca.

Promotional Items:

Please also consider donating items for the registration packages, such as reusable bags, pens, travel mugs, water bottles, note pads, etc. We expect that 250 delegate packages will be prepared.

Tax Receipt:

The Ontario Archaeological Society is a registered charity and all sponsors will receive tax receipts.

Sponsorship Payments:

We are pleased to offer two methods of sponsorship payment: *online payment* or by *cheque*.

If you would like to make an online payment please visit the OAS sponsorship page (<http://ontarioarchaeology.org/donate>) and make a donation to the ‘**2018 Symposium**’ fund. If you make an online payment, your tax receipt will be instantly generated.

If you would like to pay by check, please make the cheques payable to:

Ontario Archaeological Society, London Chapter

Cheques can be mailed to:

**Ontario Archaeological Society, London Chapter
@ Museum of Ontario Archaeology
1600 Attawandaron Rd.
London, Ontario
N6G 3M6**

Whichever payment method is more convenient for you, please ensure that you send an electronic or paper sponsorship form to the OAS to ensure that we know who to thank.
